

Crawford County Citizens for Life

Committed to affirming the intrinsic value of *all* human life

Crawford County Citizens for Life is an all-volunteer, non-profit, citizen's organization committed to affirming the intrinsic value of human life. We are dedicated to advancing true justice by working for the protection of all innocent human lives, whatever the age, race, sex, physical condition, economic status, or place of residence (including the womb). We encourage local involvement through education and by fostering political awareness. We advocate loving alternatives to the primitive and violent "solutions" of abortion, infanticide and euthanasia. Together, we can create a society in which all human lives are held sacred.
